Chittur

Dear GCCians,

Warm greetings from the GCC Alumni Association, hope you are all doing fine in your professional & personal lives. Well past her golden jubilee, our beloved Almamater the grand old lady, the hallowed Govt. College, Chittur on the banks of the Shokanasini is growing from strength to strength spreading the light of learning and leaving footprints on the sands of time. Keeping pace with her, is the GCC Alumni Association which has been functioning energetically and passionately for the enrichment of life on the campus. As office bearers of the association it is our aim to reach out to everyone of you who has tasted the nectar of knowledge from Chittur College. But it is practically difficult, on our own, to accomplish it. So we appeal to all of you to help us with the task. Please get in touch with all those you have access to and ensure their participation in our activities.

The Association has been doing commendable work like instituting endowment cash awards and giving them annually to deserving students from various departments. It helps the college in other areas of its functioning, right now, a dream project is on our minds. It is the construction of an open air mini auditorium on the campus. We look forward to your co-operation and contribution towards making it a reality.

We need to transform this time Honoured institution with a truly timeless temple of knowledge. Hoping to receive your enthusiastic support and generous contribution.
